

## LIFEFLIGHT OF MAINE

### Position Announcement CHIEF OPERATING OFFICER

**LifeFlight of Maine** LOM, established in 1998 is a private non-profit organization with a large Public statewide mission to assure the availability of a state-of-the-art critical care /air medical transport system serving all of Maine with a special emphasis on increasing access to specialist and tertiary care for rural communities.

LifeFlight's objective is to be considered nationally and internationally as demonstrating the highest levels of safety, quality, and innovation. **LifeFlight is one three related organizations which also include the LifeFlight Foundation, (LFF) an independent not for profit charity located in Camden ME which supports LifeFlight's mission, and LifeFlight of Maine Aviation Services (LFAS) also located in Bangor ME which will provide LifeFlight's aviation services with an implementation in 2021.**

The Chief Operating Officer (COO) assists the Executive Director (ED) and leads in managing all facets of the operations to assure implementation and accomplishment of annual goals and to fulfill organizational mission and objectives. **The LOM Chief Operating Officer is part of a small high performing team of physicians and clinical leaders and will work closely with the lead executives in the LifeFlight Foundation and LifeFlight Aviation Services to assure LifeFlight's overall mission and vision.**

The successful candidate requires a Bachelor's degree with Master's degree preferred in relevant field along with significant experience in dyad driving organizations. Work experience will include at least three to five years of progressive management experience in a comparable healthcare organization. Clinical practice at a paramedic level and management experience in medical transportation is desired however, any equivalent combination of experience, education, and training which provides the necessary knowledge, skills, and abilities is acceptable, subject to any legal and/or regulatory requirements.

The job location is primarily Bangor, ME along with LifeFlight bases in Sanford, Lewiston, and Camden, ME

This posting is active until October 15, 2021.
