

# CCT Flight Paramedic

**Posted by:** *LifeFlight of Maine*

**Posted date:** *June 2 2021*

**Location:** *Bangor & Lewiston*

Join a leading edge critical care transport program with opportunity for growth. LifeFlight of Maine is a consortium based non-profit critical care system and the primary provider of critical care transport for the entire state of Maine. LifeFlight operates with advanced and progressive critical care protocols. This position is located within Eastern Maine Medical Center (EMMC), a tertiary center with a full range of critical care services including trauma, medicine, cardiology, pediatrics, and NICU. We are a matrix organization and our flight team works both in transport and the hospital critical care units. The CCT-Paramedic works in a dynamic team at LifeFlight and EMMC and reports to the Clinical Base Operations Manager. EMMC is a member of Eastern Maine Healthcare Systems, a Pioneer ACO and member of the High Value Healthcare Coalition.

The CCT-Paramedic provides direct patient care in pediatric and adult ground, fixed wing and rotor wing services. This is a regular full time night shift position with a call requirement. Schedule work week is 3x 12 hour shifts and one call shift weekly.

LifeFlight provides a full range of critical care and critical care transport from ECMO to NICU transport with the EMMC Rosen NICU with a baseline of 850-900 transports from the EMMC base annually. LifeFlight operates twin engine full IFR Agusta helicopters and KingAir 200's with SevenBar Aviation and is fully CAMTS accredited and nationally recognized for safety and innovation.
